

KEY FEATURES:

- ▶ Long excursion drivers
- ▶ Boundry Coupled technology
- ▶ Optimal in large sized room applications
- ▶ Screw type barrier strips

The CBC-218 features 2 powerful 18" drivers in a single horn. The Boundary Coupled™ horn-loaded subwoofer is a new class of subwoofer that not only delivers impactful high definition bass and high efficiency, but actual directivity, which results in excellent imaging, even at bass frequencies.

We consider the CBC-218 to be useful in medium to large theaters. Amplifier presets are available in the DNA series amplifiers and processors. EQ, crossover and multi-stage limiters are all dialed in to perfection.

Operating Frequency Range	-----	22Hz - 400Hz - 10 dB
Output SPL	-----	142 dB SPL Continuous, 148 dB SPL Peak
Power:	-----	2x 1700 Watts Continuous, 6800 Watts Peak
